Postsecondary Approval and Registration Administrator
200 10th Street, Fourth Floor

Dear Ms. Small:

Rasmussen College is submitting an application for approval and registration of a postsecondary school in Iowa. This application is being submitted for enrollment of online students in Iowa, as the College does not currently have a physical campus in Iowa. These online courses will be taken and sponsored by Rasmussen College – Mankato, located in Mankato, Minnesota.

Should any current Rasmussen College location cease operations, Iowa students will be taught-out through another Rasmussen College campus in order for the students to complete their programs. Student records will be maintained indefinitely through the central offices of Rasmussen College, located in Bloomington, Minnesota.

Rasmussen College looks forward to partnering with Iowa and working with Iowa students and employers to meet future employment needs in Iowa.

Sincerely,

Kristi A. Waite
President
